BEST PLACES TO WORK™
Modern Healthcare • 2027

What is this?
Modern Healthcare's Best Places to Work in Healthcare is a survey and awards program that honors employers in the healthcare industry that are making their workplaces great. This is a project of *Modern Healthcare* in partnership with Workforce Research Group.

What's the process like?
A two-part survey is conducted to get a thorough assessment of each employer.

- Part 1 consists of an Employer Assessment where we capture details about policies and practices.
- Part 2 consists of the Employee Feedback Survey where we capture employees' opinions about their workplace experience. Employee surveys can be conducted via online or paper survey methodologies.

Both the employer and employee data sets are combined to determine the best workplaces.

Who is eligible?
Organizations must meet the following criteria:

- Be a Healthcare Provider, Insurer, or Supplier*
  (vendors, GPOs, universities, professional organizations, etc.)
- Be publicly or privately held
- Be a for-profit, not-for-profit, or a government organization
- Have at least 25 full- or part-time employees working in the US
- Have a physical operation in the US
- Have been in business for at least one year, at the program registration deadline

**additional details available online*

Are reports available for purchase?
All collected employee feedback will be presented in an online interactive reporting tool called the Employee Feedback Data Dashboard. The dashboard will allow each employer to view data by graphs, charts and tables. Plus, standard downloadable reports containing responses by demographic, employee comments and benchmarks are also available. This data is available for purchase for as little as $995 and discounts are available if pre-purchased.

What does it cost?
All organizations pay a non-refundable $299 registration fee. Organizations needing paper, have additional fees to cover the costs of printing, shipping, etc. More details available online.
